

Making a Positive Contribution

It is very important for us to work with you in order to help your child develop and make a positive contribution. When you collect your child there may not be enough time to discuss what they have been doing throughout the day, therefore we will email you a detailed daily diary which will tell you what your child have eaten with us, how many times their nappy has been changed (where relevant) or how they have done using the toilet.

As well as this we will tell you what play/activities your child has done and include some photo's of the day for you. If you do not have access to the internet we will provide you with a hand written diary at the end of every day.

Policy reviewed on 20 May 2013 next review due May 2014 or sooner should legislation change.
