

Personal Possessions Policy

We provide a wide range of toys and activities for all the children in our care, catering for different needs, abilities and ages. Whilst it is not necessary for children to bring additional toys with them to play with we can appreciate that sometimes a child may have a particular comfort toy that they wish to bring or a toy that they have been playing with just before they left home.

We will endeavour to keep all children's toys and resources safe, however we are sure you appreciate with several children in our care at any given time, it is not always possible to keep an eye on their belongs when we are out and about. Whilst losses are rare we would advise that if a toy is very special or expensive that it remains safely at home as we will not be held responsible for loss or damage to them.

If your child does have a comfort toy that they are very attached to, We would recommend that additional 'copies' are purchased as this can prevent great upset if it becomes lost.
