

Sun Protection Policy

Most of us love to see the sun, and enjoy the warmth of a summers day. That said the sun can cause burning to children with fairer skins. In these cases, it of course prudent to use sun protection. We will do everything we can, working in partnership with you, to ensure that your child is protected.

Items that you may provide if you feel it necessary for your child:

- Sun Cream
- Sun Hat
- A thin top/cardigan/t-shirt with long sleeves

We will ensure that your child uses the sun cream that you have provided and wears the hat. In some cases children refuse to wear hats, and it can become almost impossible to keep a hat on despite trying. In those cases we will persist, but cannot be held responsible should the child consistently remove the hat.

We will also avoid spending prolonged periods of time outdoors during the hottest part of the day, and when out will try and protect your child by finding shady areas (we have a pop up type play tent) and using a sunshade on the pushchair. We will encourage your child to drink water regularly to prevent dehydration.

We will require you to sign a form giving us permission to apply the sun cream that you have provided.
