

Sick Child Policy

We appreciate that as a working parent you need to be able to go to work, however if your child is unwell then they will be better cared for in their own home with a parent. We are happy to care for children with minor coughs and colds but will not care for children who are very unwell, infectious or running a high temperature. We have to go out each day to do school runs and need to consider the welfare of all the children in our care.

If your child has had diarrhoea or sickness please do not bring them to us until 48 hours has passed since the last bout of diarrhoea or vomiting.

If your child becomes ill whilst in our care, we will make them as comfortable as possible, isolate them from the other children if necessary and reassure them. We will contact you immediately and continue to care for your child until you arrive.

We are happy to administer medication which has been prescribed by a Doctor.

We will contact you if one of our own children is not well, inform you of the illness/symptoms and if we are able to work. This then allows you to make an informed decision as to whether to bring your child or not.

If you have any concerns regarding this policy please contact us.
